UNION SERVICE TO BE HELD TONIGHT

PAGEANT WILL BE PRESENTED FOR WELFARE BOARD

IS SERVICE FOR ADULTS

Children Who Have Seen Production Should Give Seats To Older Persons

Preparations are complete today for the union Thanksgiving service of the protestant churches of Maryville, which this year will be held on Thanksgiving eve instead of on Thankgiving morning. It will be held at the Christian Church at 7:30 this evening. "America's Striking Hour," the pageant which has already been given twice by the Westminster Guild of the Presbyterian Church, is to be presented again at the request of the ministers. Mrs. George H. Colbert is again directing it, and has added some new parts. She is assisted by Miss Mary MacLeod of the State Teachers College.

It is announced that the church doors will open at 7 o'clock and not before. This will serve to obviate the long wait for those who would otherwise have to come so very early to feel sure of a good seat.

The request is made that children who have seen the pageant before and not accompanied by parents do not come. This not intended to discriminate against the children, but the pageant primarily has a messtge for adults. Another reason is the fact that two congregations have not yet seen the pageant, and many have said they want to come to see it again.

At the close of the pageant, George L. Wilfley will present the work of the Wefare Board and the churches method of helping the needy of Maryville. The offering will go for this work.

STRANGLES SISTER-IN-LAW TO DEATH TO GET $50

Woman is Murdered While Sewing on Tiny Garment for Unborn Babe

Chicago, Nov. 23—Thomas Catherwood confessed today, according to the police, that he murdered Mrs. Betty Sharpless, his sister in law, and her unborn baby and took $50 from her "because I was desperate and broke".

Mrs. Sharples was strangled to her death in her home yesterday after she had prepared breakfast for Catherwood and while she was sewing on a tiny garment for the baby she soon expected. Her body was found last night when Charles Sharples, her husband, returned home.

As Catherwood, who married a sister of Charles Sharples, began his confession, he drew a tobacco can from his pocket and removed $50 from it. He is said to have told the police, "I went behind her and twisted the rope around her neck until it killed her."

The coroner's jury ordered Catherwood held to the grand jury for murder without bail.

COUNCIL SUGGESTS PLANS FOR WHITE GIFT CHRISTMAS

Pageants, Community Carol Sings And Gifts For Needy Included In Suggestions

At its meeting last Sunday afternoon, the Older Boys' and Girls' Council of the Nodaway County Sunday School Association voted to suggest plans to all churches and Sunday Schools of the county for a "White Gift Christmas."

"Christmas to the average youth and even the average adult means too often merely a day to frolic, a day of 'getting' and, to many," say the Council "a day of indulgence in things which hurt and harm. This is a day of too great significance to be observed after such a fashion. It is a day which should and must be one of the chief corner stones in the building of a high and wholesome civilization. It is this day, our Lord's birthday, that the Spirit of the Child Jesus must be caught, if the day brings its real significance. He came as a gift to the world that was wrong in its thinking, feeling, acting, purpose, motives, and ideals. His was a message, 'not how much I can get or enjoy for myself,' but of 'what I can do for the enjoyment and the uplift of others through the full gift of myself.' His was a life poured out in service—a gift life."

The plans suggested by the council for the various Sunday schools to follow include the giving of a pageant, a community carol sing and gift to the needy. Several pageants are suggested which are suitable to amateur production. The council urges that preparation be begun at once, both on the pageants and on the community carol sings.

Before making the gifts to the needy the council suggests that a survey be made of the town or community two weeks or ten days before Christmas, cooperating with church officials, public school teachers, physicians, town officials and all charitable associations.

CLUB WOMEN GIVE "THE SNOW WITCH"

MEMORIZE AND PRESENT RUSSIAN PLAY IN COSTUME

MUSIC IS RUSSIAN TOO

Members of Music and Literature Department Learn Lesson of Contentment and Happiness

With a Russian play in costume, Russian music and a Russian folk dance, members of the Music and Literature Department of the Twentieth Century Club carried out the Russian motif through the entire program at their November meeting, held yesterday afternoon in Recital Hall.

The department now has fifty-three members. Fifty of these were present at the meeting yesterday. There were also five visitors.

The meeting opened with the roll call and reading of the minutes, followed by community singing. Mrs. O. L. Curl led the singing, with Mrs. S. P. Allison as accompanist.

Mrs. Fleming Carpenter gave a violin solo, "Polish Dance" by Scharwenka. Mrs. J. F. Hull talked on Russian folk lore, and Mrs. Ferdinand Townsend played a piano solo, "Prelude in C Minor," by Rachmaninoff.

The play was "Snow Witch," by Constance D'Arcy McKay. The scene of the play was in the interior of Marina's peasant cottage in Russia. The Snow Witch visits Marina's cottage and finds her dissatisfied with her life. When the Snow Witch offers to allow her to change places with Ivan, the Prince, and Princess Veleska, she decides that she can find more of contentment and happiness in her own humble cottage.

The cast of characters follows:

Marina—Mrs. C. C. Leeson.

Snow Witch—Mrs. Sam Bithos.

Ivan, the Prince — Mrs. Sherman Montgomery.

Princess Veleska — Mrs. Wilfred White.

The actors had memorized their parts and were in costume. From a concealed place, Mrs. Fleming Carpenter played during the play, using violin music by Russian composers. Miss Sylvia Littlejohn and Miss Ruth Cline, students in the class in folk dancing of Miss Mary MacLeod of the State Teachers College, gave a Russian dance in peasant costume.

After the play a quartet composed of Mrs. D. J. Thomas, Mrs. O. L. Curl, Mrs. Arch Carter and Mrs. Jesse Douglas sang "Troika," by William Rees.

The next meeting will be in three weeks, on December 13. The program will be Norwegian.

TO ORGANIZE FOR TUBERCULIN TEST

INDEPENDENCE TOWNSHIP IS FIRST TO PREPARE.

FACILITATES THE WORK

Cows Must Be Grouped at Convenient Points, With Men to Assist Government Inspector.

Independence township is the first township to organize for the free tuberculin test to be conducted by Dr. T. J. Eagle, a United States government veterinary inspector, who is making his home in Maryville.

The officers of the organization are: G. W. Cooper, Sheridan, township advisor; Dr. W. Julian, Charles Dawson, Miles Spargur, Edward and S. L. Wilson, all of Sheridan, assistant advisors; Henry Thompson and Truman Young, Hopkins, assistant advisors.

The plan in which the organization will work is as follows: Each of the assistant advisors will call upon individuals to help by having all farmers in his district to sign a list giving the number of cattle, also the section he resides in and the total number of cattle to be tested, in order that the township advisors can give the grand total number to Dr. Eagle and he can estimate the time it will require to test the cattle of the township.

The second assistant advisor will choose suitable farms to group the cattle and direct the inspector from place to place. The greater amount of work can be done in this manner.

It is necessary to sign an application before the work is done. The advisors have copies of these applications, also bulletins that give all the information in regard to the test. It will not be necessary to sign the application for test until the day of the test.

Dr. Eagle suggests that the townships organize as soon as possible. Application forms and bulletins regarding the work will be sent to the community upon application at the Farm Bureau.

When the cattle are grouped together for a test, it is necessary to have about five men to help and it is absolute necessary to have a chute for cattle, about sixteen feet long and thirty-six inches wide, which can be made easily.

Dr. Eagle will have charge of the testing of all the cattle of Nodaway and Atchison counties if the owners of these cattle desire. Among the purposes of the inspection are: to secure clean milk from healthy cows for the children; to stop the sale of tuberculous breeding cattle; to stop the immense waste of meat food products condemned on account of tuberculous.

GIVES ADVICE ON CARE OF CHICKENS

MRS. ALFRED JONES WRITES FOR BOYS AND GIRLS.

SHOW BEGINS NEXT WEEK

Should Be Careful to Avoid Selecting Birds Which Will Be Disqualified.

Valuable tips for the youthful members of the Boys' and Girls' Poultry Club are contained in a letter written by Mrs. Alfred Jones, secretary of the Nodaway County Poultry Association, giving them advice for the selection and care of the birds they will enter in the twentieth annual exhibition, November 30 to December 3. Her letter follows:

"Many inquiries have come to the officers of the Poultry Association from the Boys' and Girls' Poultry Club concerning the selection and preparation for showing of their poultry. As the catalogue states, they are to exhibit at least a trio, meaning a cockerel and two pullets, if they have them; if not, they may show whatever they have, and even though they show the trio they may include as many others as they wish.

"In selecting the bird for showing, one first considers the bird as a whole, noticing size, shape and color. Then examines each section one by one. We shall not undertake to tell of the standard requirements of any particular breed or variety, but to point out a few of the general disqualifications which many exhibitors, both experienced and inexperienced, often overlook when selecting and preparing their birds for exhibition.

"By disqualifiaction is meant qualities which the fowl possesses which keep it from receiving a score.

"One of the most common errors made by exhibitors is the overlooking of a small feather, or, as it is called, stub, growing from beneath the scales on the birds' legs, or a tiny bit of down between the toes.

"A side sprig on the comb will disqualify any bird. This is a small point which grows out on the single combs on either one or both sides.

"A wry tail is a tail turning to one side, which is a disqualification.

"An off-colored ear lobe is another disqualification. If they should be red, one-half or more white disqualifies, or if white, red disqualifies.

"In preparing them for the show after selection is made, the most important part is to have them accustomed to being handled, so that when put into the show they will be easy in the coop and not huddle into the corner so the judge cannot tell their real shape. If they are kept up a few days and handled often they will soon become tame, and do themselves justice in the show room.

"It adds greatly to their appearance to have clean comb wattles, legs and feet. Wash the face comb and wattles in warm, soapy water, and the feet and legs in strong soap suds, and if necessary after soaking them, clean the dirt from beneath the scales with a tooth pick. A very little sweet oil or vaseline rubbed on the legs improves their appearance, but do not allow them in the dust after oiling or they will look worse than before washing.

"Each bird must be banded with band showing number and also whether cockerel or pullet put on the entry blank found in the catalog and the entry blank given to the secretary when the birds are brought to the show. The bands may be procured from any hardware store.

"So bring or send in your birds Wednesday, November 30, and we will have a good show, and gain much knowledge by our showing."

ASK PRESIDENT TO REMOVE GOVERNOR

PORTO RICANS FILE CHARGES AGAINST E. MONT REILY.

APPOINTED BY HARDING

Former G. O. P. Leader Is Accused of Playing Favorites in Governing Island.

Washington, Nov. 23. — President Harding today received a formal request for the removal of Mont Reily as governor of Porto Rico. The request was made in behalf of the people of Porto Rico by Judge Felix Cordova-Davila, resident commissioner in Congress from the Island.

Governor Reily is scheduled to confer with President Harding this afternoon.

Among specific charges against Governor Reily enumerated in the message to Senor Davila were the following:

He publicly declared himself leader of the insular Republican party and the "friend of the Socialist party."

He removed judicial officers without stating the cause and threatened removal of others, being obliged to "confess the injustice in both cases."

Annulled the "moral power of judges by announcing they would be removed if a decision was rendered "considered by the governor unjust."

Pardoned criminals "to please Socialist leaders," and these criminals immediately committed new crimes.

Publicly embraced Socialist leader, "thus acting in a manner unworthy of the governorship of the people."

"Directed or permitted" police to break up reception organized to greet Antonio Barcelo, president of the senate and leader of the unionist party," later promoting the police officer who broke up the demonstration.

Encouraged and rewarded all who offended majority party.

Appointed three departmental heads "opposed to the spirit of the organic act and to the laws of Porto Rico," on recommendation of "corporations whose directors reside outside Porto Rico."

"Means of understanding with governor exhausted," the cablegram concluded. "During the absence of the president of the senate, the majority party, through Vice President Torres, agreed to everything the governor required compatible with dignity, to the extent of transmitting an Associated Press statement saying the party indorsed the governor. Afterward the president of the senate did things almost incompatible with self-esteem in trying to reach an understanding, but we have reached the conclusion the governor lacks the competence and the seriousness necessary to understand and act in the difficult situation created by himself. It is, therefore, indispensable to replace him."

JUST GOT OVER A COLD!

Look out for kidney troubles and backache. Colds overtax the kidneys and often leave them weak. For weak kidneys—well, read what a Maryville woman says:

Mrs. M. Bratcher, 1322 E. Second St., says: "Several years ago while recovering from a bad cold a terrible dull aching pain settled in the small of my back and bothered me constantly. As the days went by my back grew very lame and sore and these pains darted around to my hips. I suffered severely and could hardly do my house work. I decided to try Doan's Kidney Pills which I had heard so much about. I purchased a box at Gaugh & Evans Drug Store. The first box produced such good results that I continued using them. After I had used three boxes of Doan's the pains left me and I was completely cured. I highly recommend Doan's Kidney Pills to anyone afflicted with a similar trouble."

Forumettes

A Maryville bachelor says his idea of a perfect fool is a "Perfect" man who expects to marry a "Perfect" woman.

How happy everyone would be if most people kept their advice for home consumption.

A trade journal says most of the encyclopedias are sold to women. Now we know where some Maryville club women get those "excellent papers" the society editor talks about.

When you hear of a business man refusing to advertise you can rest assured he has something he is ashamed to advertise.

It is funny but the preacher gets paid for preaching while the average Maryville woman does it for nothing and not only on Sunday either.

Not many people will admit it, but about everyone holds the opinion that if their support was removed this old world would sag a little in that place.

Beauty Is Harmony

There can be no harmony, and therefore no beauty, in a home in which the wife and mother is cross and irritable and dull spirited. Often as not, disease is at the bottom of such a condition.

Let the woman who is always tired and who suffers from low spirits and mysterious aches and pains, only try Lydia E. Pinkham's Vegetable Compound. She will then see that the beauty and harmony will be restored to her home with the return of her health and good spirits.—ADV.

SO WEAK
SO NERVOUS

How Miserable This Woman Was Until She Took Lydia E. Pinkham's Vegetable Compound

Toomsboro, Ga.—"I suffered terribly with backache and headache all the time, was so weak and nervous I didn't know what to do, and could not do my work. My trouble was deficient and irregular periods. I read in the papers what Lydia E. Pinkham's Vegetable Compound had done for others and decided to give it a trial. I got good results from its use so that I am now able to do my work. I recommend your Vegetable Compound to my friends who have troubles similar to mine and you may use these facts as a testimonial."—Mrs. C.F. PHILLIPS, Toomsboro, Ga.

Weak, nervous women make unhappy homes, their condition irritates both husband and children. It has been said that nine-tenths of the nervous prostration, nervous despondency, "the blues," irritability and backache arise from some displacement or derangement of a woman's system. Mrs. Phillips' letter clearly shows that no other remedy is so successful in overcoming this condition as Lydia E. Pinkham's Vegetable Compound.

BREEDEN'S
Rheumatic Compound

SAVED WOMAN'S LIFE.

Mrs. Daisy Harrell, of Winfall, N. C., says: "In the year of 1916 I was down all the year with rheumatism. I went to three or four different doctors, and none of them did me any good, so one of my friends recommended Breeden's Rheumatic Compound. I began taking it, and after I had taken to the trial mark on the bottle I found a great deal of relief, and after I had taken four bottles I was perfectly well of rheumatism.

"I highly appreciate and recommend Breeden's Rheumatic Compound for I believe that it saved my life. I cannot say words of thanks enough for it."

Don't suffer any longer with the aches and pains of rheumatism. Thousands are crippled for life by this awful disease. You will always be glad you tried this wonderful preparation for it has given thousands relief where all others failed. You will get quick relief from the use of Breeden's Rheumatic Compound.

DEBATING SQUAD WILL BE CHOSEN AT HIGH SCHOOL

Team Will Meet Savannah On December 2, Taking Negative Side Of Question

Preliminaries will be held at the High School today, after the Thanksgiving assembly, to select the members of the squad from which will be picked the debating team to compete against Savannah in the first contest scheduled under the auspices of the state inter-high school debating society.

Probably six debaters will be picked today to make preparations on the side of the question which has been given to Maryville. D. W. Burford, who is coaching the debaters, was able to get into communication with the Savannah school, and it was agreed that the debate will be held at Savannah on December 2 and that Savannah will take the affirmative and Maryville the negative side of the question: "Resolved: that the principles of the closed shop should prevail."

There will be six judges picked by Maryville and three to be selected by Savannah.

Savannah had a very strong team last year, but outside of this nothing is known of the competition the Maryville debaters will meet in their first appearance. This is the first time for several years that Maryville High School has had a debating team and the outcome of the Savannah debate will be watched with interest.
